

Doodle Page Digital Download

This PDF file contains 1 (one) Doodle Page. The PDF has been put together to give you options when it comes to printing. Pages and patterns that are larger than 8½x11 have been provided in two formats:

1) Full Size

If you would like to have a full size print out, take the full size pages to your local print shop and they can print it for you. All full size Doodle Pages are 11x17

2) Tiled

The tiled pages give you the option of printing the full sized Doodle Pages at home. You print the tiled pages and then assemble them to make the larger patterns.

The Doodle Page PDF files are typically laid out like this:

Front – full sized, front – tiled, back – full sized, back – tiled

(Some Doodle Pages do not have backs)

Please note: When printing on a home printer, the edges may get cut off. To avoid this, make sure “Page Scaling” is set to “Shrink to Printable Area” in the Adobe Reader print dialogue box. This will decrease the size of the Doodle Page a very small amount.

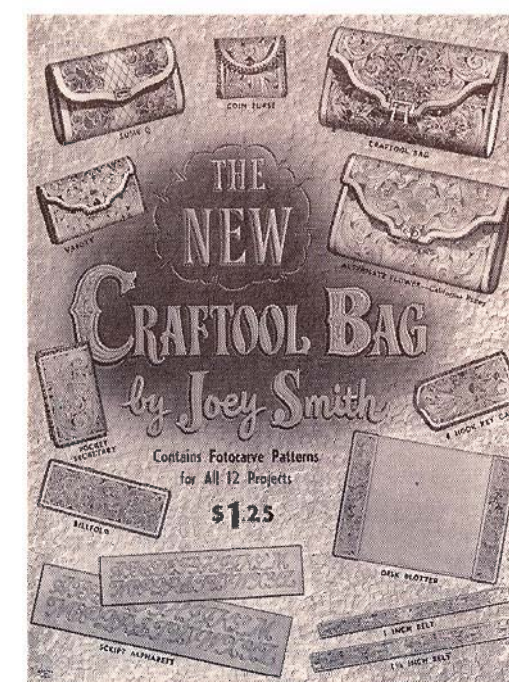

You may take this PDF file to your local print shop to have the full-size pages printed for your own personal use.

Doodle PAGE of the MONTH

EACH A LESSON IN ITSELF
 A NEW PAGE EACH MONTH CARVED BY THE FOREMOST WESTERN CRAFTSMEN FEATURING, NEW DESIGNS, NEW TOOLS & NEW IDEAS TO AID AND ASSIST THE CRAFT IN GENERAL. TO RECEIVE NEXT MONTH'S DOODLE PAGE PLEASE PRINT YOUR NAME AND ADDRESS ON THE COUPON AND MAIL TO YOUR CRAFTOOL DEALER

For this month's page of the month Al Stohlman offers something new and different in this fine example of leather carving. As Al says "Carving letters is fun" and his bag of tricks with a swivel cutter is hard to beat. Of interest to the craft are the two methods of carving initials; either raised with the background around the letters matted down or beveled or depressed, and with the letter itself beveled down so that the background stands out creating a shadow effect on the lettering.

With the large "L" Al. shows that you can get as fancy as you want to, and this too, applies to the simplified old English B.

The fine example of set stamping with the acorn stamp No. 552 and left and right oak leaves numbers 555 and 556 show how proper depth can be achieved by

correct use of background tool 113 and the checked beveler.

Also, the craft will be interested in The New Craftool Bag patterns by Joey Smith. They include twelve projects for the leather craftsmen. Of special note are: a beautiful blotter pad, two sizes of script initials and patterns for the "Susie Q." Now at all Craftool dealers. Price \$1.25.
