

## Doodle Page Digital Download

This PDF file contains 1 (one) Doodle Page. The PDF has been put together to give you options when it comes to printing. Pages and patterns that are larger than 8½x11 have been provided in two formats:

### 1) Full Size

If you would like to have a full size print out, take the full size pages to your local print shop and they can print it for you. All full size Doodle Pages are 11x17

### 2) Tiled

The tiled pages give you the option of printing the full sized Doodle Pages at home. You print the tiled pages and then assemble them to make the larger patterns.

The Doodle Page PDF files are typically laid out like this:

Front – full sized, front – tiled, back – full sized, back – tiled

(Some Doodle Pages do not have backs)

Please note: When printing on a home printer, the edges may get cut off. To avoid this, make sure “Page Scaling” is set to “Shrink to Printable Area” in the Adobe Reader print dialogue box. This will decrease the size of the Doodle Page a very small amount.

You may take this PDF file to your local print shop to have the full-size pages printed for your own personal use.

As promised, Al Stohlman comes through with some more of his outstanding figure carving. Notice the resemblance between the two fine heads looking so inquiringly over the basket stamped wall. Note too, Al's work on the roses with the undercut beveler. The outer edges of the leaves were made without the use of the swivel cutter, using instead the checked pointed beveler Craftool No. 976.

This is the last page of Series 2. You may secure back numbers by sending 10c for each page desired or complete series of 12 pages \$1.00. Each page is a lesson in itself.

Over two years ago the Doodle Page of the Month was started with the thought in mind of helping the craft to more fully enjoy their work of decorating leather. It is hoped that the hints, instructive ideas and the new floral designs gathered from the Master Craftsmen have helped you to better express your own ideas and designs in leather. If so, they have accomplished their purpose.

We here at Craftool Co. want to take this opportunity to thank all the authors of the Doodle pages for their splendid efforts and thank the craft for the many nice letters sent in about the pages. All have been a big help in bringing to you the things we would have most appreciated when we were learning to carve. Keep them coming.

Sincerely Yours,  
 CRAFTOOL CO.
