

Doodle Page Digital Download

This PDF file contains 1 (one) Doodle Page. The PDF has been put together to give you options when it comes to printing. Pages and patterns that are larger than 8½x11 have been provided in two formats:

1) Full Size

If you would like to have a full size print out, take the full size pages to your local print shop and they can print it for you. All full size Doodle Pages are 11x17

2) Tiled

The tiled pages give you the option of printing the full sized Doodle Pages at home. You print the tiled pages and then assemble them to make the larger patterns.

The Doodle Page PDF files are typically laid out like this:

Front – full sized, front – tiled, back – full sized, back – tiled

(Some Doodle Pages do not have backs)

Please note: When printing on a home printer, the edges may get cut off. To avoid this, make sure “Page Scaling” is set to “Shrink to Printable Area” in the Adobe Reader print dialogue box. This will decrease the size of the Doodle Page a very small amount.

You may take this PDF file to your local print shop to have the full-size pages printed for your own personal use.

Doodle PAGE of the MONTH

EACH A LESSON IN ITSELF

A NEW PAGE EACH MONTH CARVED BY THE FOREMOST WESTERN CRAFTSMEN FEATURING NEW DESIGNS, NEW TOOLS & NEW IDEAS TO AID AND ASSIST THE CRAFT IN GENERAL TO RECEIVE NEXT MONTHS DOODLE PAGE PLEASE PRINT YOUR NAME AND ADDRESS ON THE COUPON AND MAIL TO YOUR CRAFTOOL DEALER

Al Stohlman, master craftsman and artist offers something new to interest the craft. Al's figure carving is tops and we are proud of his leather pictures which so faithfully appear on these pages. We are truly sorry that each and every one of you doodlers cannot see them "in the flesh" for they must be seen to be fully appreciated. However, we have a big surprise in store for you, in fact Al is working on it now. It will be announced in one of the future Doodle Pages of the Month. Watch for it.

Al is also a first class doodler as shown by the manner in which he handles the four flower centers. Notice, too, the seven various ways of decorating the scroll. Try them yourself on scrap leather and adopt the one of your choice.

To make the design fit any area:

- 1st—Determine the overall size of the carving area.
- 2nd—Lay out the stem line (as shown in "Operation" Leather Carving by Al Stohlman).
- 3rd—Make tracings of the five patterns.
- 4th—Transfer with carbon paper to stencil board or cardboard.
- 5th—Use swivel cutter to cut out stencils.
- 6th—Place flower stencil in desired locations and draw around entire outline of flower and stem.
- 7th—Fill in with leaves and scrolls. The background area should be well balanced.

May we, at Craftool Co., again take this opportunity to wish you and yours a Merry, Merry Christmas, with many hours of happiness in the coming New Year.

Attention—Page 4 will announce ABC "Belt Designs" by America's Best Carvers.
