This PDF package has been put together to give you options when it comes to printing. Some PDF file downloads may contain some documents larger than an 8-1/2" x 11" image. Pages and patterns that are larger than 8½x11 have been provided in two formats:

Full Size: If you would like to have a full size print out, take the full size pages to your local print shop and they can print it for you.

Tiled: The tiled pages give you the option of printing the larger patterns at home. You print the tiled pages and then assemble them to make the larger patterns.

Pattern PDF files are typically laid out as follows: Cover (if applicable), instructions sheets (if applicable), pattern 1 – full sized, pattern 1 – tiled, pattern 2 – full sized, pattern 2 – tiled, pattern 3 – full sized, pattern 3 – tiled. ...Etc.

Doodle Page PDF files are typically laid out as follows: Front – full sized, front – tiled, back – full sized, back – tiled (Some Doodle Pages do not have backs).

eBook PDF files contain 1 (one) full eBook. All pages in the PDF are full sized. This means that you may have to take the PDF to a print shop for certain oversized books if your home printer cannot print the larger pages.

Craftaid PDF files contain 1 (one) full Craftaid pattern or Craftaid pattern pack that has been converted into a tracing pattern. All pages in the PDF are full sized. This means that you may have to take the PDF to a print shop for certain oversized Craftaid patterns if your home printer cannot print the larger pages. **NOTE: These digitized patterns do not include any of the physical plastic templates (Craftaids) that may be mentioned, nor does the purchase of this PDF file imply a promise to receive any physical plastic templates (Craftaids).**

NOTE: Digital kit patterns do not include any kit parts that they may reference.

Please note: When printing on a home printer, use the settings seen on the image to the right in the Page Handling area of the Adobe Reader print dialogue box. If your printer is cutting edges off, set "Page Scaling" to "Shrink to Printable Area". This will, however, decrease the size of the pattern a very small amount.

NOTE: Some patterns may reference tools, and other items no longer available.

NOTE: You may take this PDF file to your local print shop to have the full-size pages printed for your own personal use.

How & When Do We Honor Our Patriotic Loved Ones?

Independence Day (The 4th of July) -

A holiday set aside to honor the founding fathers of the United States of America. On June 7, 1776, Richard Henry Lee, delegate from the Virginia colony, made a motion to the Continental Congress, stating that “these united colonies are and of right ought to be free and independent States, that they are absolved from all allegiance to the British crown, and that all political connection between them and the State of Great Britain is and ought to be totally dissolved.” This motion was seconded by John Adams of Massachusetts and the resolution was passed the next day. On June 11, a committee comprised of Thomas Jefferson, Benjamin Franklin, John Adams, Roger Sherman and Robert Livingston prepared the first draft of the Declaration of Independence. On July 4, 1776, the final draft was presented and adopted.

Veterans’ Day (November 11) - Formerly known as Armistice Day, Veteran’s Day is an annual holiday to honor all of those living and dead who served in the United States Armed Services in wartime. Armistice Day, as it was first called, was proclaimed in 1919 to celebrate the termination (at 11am on November 11, 1918) of World War I. It became a holiday in the United States, France, Great Britain and Canada. In Canada it is known as Remembrance Day and in Great Britain, as Remembrance Sunday. In 1954, the holiday acquired its current name, Veteran’s Day, and a broadened significance due to World War II and The Korean War.

Memorial Day (end of May) - Memorial Day was originally known as Decoration Day, a day to decorate the graves of the nations’ Civil War dead. Sadly the birthplace where Memorial Day was first observed was fought over. Several Northern and Southern cities claimed to be the birthplace.

NOTE: *When using acrylic paints on leather, be sure the project is completely dry before starting to assemble the project.*

GETTING STARTED continued:

SESSION 3 - Assembly:

- Cut cords in half.
- Copy the Instructions on page 6 and hand them out to each student along with the half cords and beads. Scissors might be needed to trim the cord.
- Practice before class and then demonstrate the assembly steps.

ABOUT THE LEATHER:

The leather used for this project is called veg-split leather cut from cowhide. Both sides are rough or suede. The grain side (smooth top side) of this particular cut of leather has been removed.

This project will be decorated using acrylic paints and colored markers.

History Continued:

In 1966 under the direction of President Lyndon Johnson, Waterloo, N.Y. was declared the birthplace of Decoration (or Memorial) Day. Today the observance of Memorial Day honors all those (not just veterans) who died in all of American's wars. In 1971, Congress declared Memorial Day to be a national holiday celebrated on the last Monday in May of each year.

Did You Know: Decoration Day was first widely observed on May 30, 1868, to honor those who made sacrifices during the Civil War. General John A. Logan declared:

The 30th of May, 1868, is designated for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet churchyards in the land. In this observance no form of ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services & testimonials of respect as circumstance may permit.

The project for this lesson is to decorate a leather bookmark with patriotic designs.

VOCABULARY:

Cowhide - The hide (skin) from a mature bovine (cow).

Flesh Side - The rough (suede) underside of leather.

Grain Side - The hair side of the leather with the hair removed.

Tanning - The process using tannins to change a fresh animal hide into leather.

Patriot - Someone who loves and supports his or her own country.

Tannins - Yellowish substance from oak bark and other plants used to tan leather.

Veg-Split - Vegetable-Tanned leather can be split (layered) into two pieces: one with the grain (top hair side) and one with the rough surface on both sides. Veg-split is the rough surfaced layer.

Veteran - Someone who has served in the Armed Forces of a country.

Memorial - Anything to help people remember an important event, person or persons.

CREATE DESIGNS USING STENCIL PATTERNS & YOUR OWN IDEAS

Here are some color & design ideas shown on the project part. The leather can be left its natural color with just the designs in color or paint the backgrounds and designs different colors.

COLORING HINT: *To make bright or light colors stand out on a darker background, paint bright or light colors first. Then fill in background around them with a darker color. Or, put a wash over the area, let dry, then come back and paint the designs in white. Let white dry completely (few minutes), then add desired colors on top of the white.*

Plan Designs On Paper Before Stamping Impressions Into The Leather

CLASSROOM EXPANSION IDEAS:

- ~ Study the writing and adoption of the Declaration of Independence.
- ~ Discover how many students have military families or friends and discuss the difference in the branches of United States Military.

RECYCLE ME!

"I am your Theme Bucket - be sure to recycle me! I would like to end up in your closet with many of my friends. I could store art supplies, extra leather project parts, or even help you organize your files. Create a new label for me so I can help you find what is stored in me. But until it's time to recycle, I am happy to bring fun & learning into your classroom by offering you Projects To-Go from Tandy Leather Factory."

TEMPLATES FOR PLANNING DESIGNS

Copy this page, cut apart on dotted lines and hand out, so students can practice designs on paper before applying them to the leather.

ASSEMBLY INSTRUCTIONS:

There are so many different ways to decorate the bookmark using beads and cord. Here are just a couple of examples. Have fun creating your own designs.

OPTIONAL KEY FOB:

- String beads on cord as shown in Sample A or B instructions below.
- Before tying knots in the ends of the cord, add a key.
- Then tie both cord ends together in a knot to secure the key.
- Trim off excess cord.

BEADING SAMPLE A:

- Use 1/2 of a cord.
- Push tip of cord through bead.
- Then bring cord over edge of bead and back through the same hole again.
- Repeat on second bead.
- Stitch through hole. Tie a knot close to the leather. Pull cord tight.
- Then add a 3rd & 4th bead.
- Tie a knot in the ends of cord.
- Trim off excess cord.

BEADING SAMPLE B:

- Use 1/2 of a cord.
- Push tip of cord through all four beads.
- Then stitch through hole.
- Push tip of cord back through all four beads. Push beads up to edge of leather, but not too tight.
- Pull cord straight.
- Tie a knot in the cord ends together or separate.
- Trim off excess cord.

HINT: *To keep cut cord ends from unraveling, put a drop of classroom white glue on cut ends and let it dry completely.*
