

# MONEY HOLDER

## SPECIAL INSTRUCTIONS

Before stamping the leathers, rubber cement them to cardboard to prevent leather from stretching.

After carving and stamping, peel the cardboard off the leather. DO NOT peel leather from cardboard as wrinkles will appear on the grain side of the leather.

MAKE TWO - Cut panels from 2 1/2-3oz. leather.

Use Craftman's, or strong bonding, cement... flesh side of loz. lining leather to flesh sides of carved panels.

Carefully trim off all excess lining leather. Use a sharp knife.

# MONEY HOLDER INSTRUCTIONS — CONTINUED

**4**

*Edge and burnish edges of both panels, indicated by heavy outline above.*

**5**

*Cement the two lining sides together along the straight ends. Skuff the leather 1/8" in for better adhesion.*

**6**

*Place clip over cemented ends, and slide down on leathers.*

*With clip all the way down, in place... Lay on hard flat surface and tap with mallet along bar to securely fasten.*

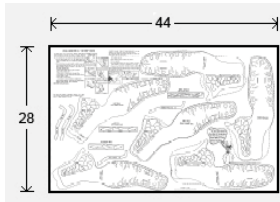

## ALTERNATE PATTERNS

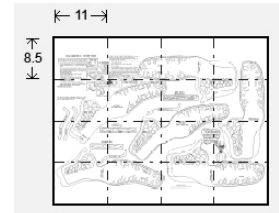

## Digital Downloads

This PDF package has been put together to give you options when it comes to printing. Some PDF file downloads may contain some documents larger than an 8-1/2" x 11" image. Pages and patterns that are larger than 8½x11 have been provided in two formats:

**Full Size:** If you would like to have a full size print out, take the full size pages to your local print shop and they can print it for you.

**Tiled:** The tiled pages give you the option of printing the larger patterns at home. You print the tiled pages and then assemble them to make the larger patterns.

**Pattern PDF files** are typically laid out as follows: Cover (if applicable), instructions sheets (if applicable), pattern 1 – full sized, pattern 1 – tiled, pattern 2 – full sized, pattern 2 – tiled, pattern 3 – full sized, pattern 3 – tiled. ...Etc.

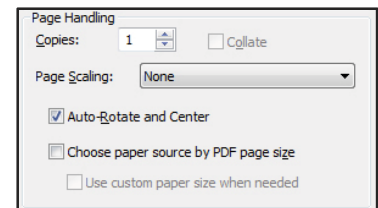

**Doodle Page PDF files** are typically laid out as follows: Front – full sized, front – tiled, back – full sized, back – tiled (Some Doodle Pages do not have backs).

**eBook PDF files** contain 1 (one) full eBook. All pages in the PDF are full sized. This means that you may have to take the PDF to a print shop for certain oversized books if your home printer cannot print the larger pages.

**Craftaid PDF files** contain 1 (one) full Craftaid pattern or Craftaid pattern pack that has been converted into a tracing pattern. All pages in the PDF are full sized. This means that you may have to take the PDF to a print shop for certain oversized Craftaid patterns if your home printer cannot print the larger pages. **NOTE: These digitized patterns do not include any of the physical plastic templates (Craftaids) that may be mentioned, nor does the purchase of this PDF file imply a promise to receive any physical plastic templates (Craftaids).**

**NOTE: Digital kit patterns do not include any kit parts that they may reference.**

Please note: When printing on a home printer, use the settings seen on the image to the right in the Page Handling area of the Adobe Reader print dialogue box. If your printer is cutting edges off, set "Page Scaling" to "Shrink to Printable Area". This will, however, decrease the size of the pattern a very small amount.

**NOTE: Some patterns may reference tools, and other items no longer available.**

**NOTE: You may take this PDF file to your local print shop to have the full-size pages printed for your own personal use.**
