Doodle Page Digital Download

This PDF file contains 1 (one) Doodle Page. The PDF has been put together to give you options when it comes to printing. Pages and patterns that are larger than 8½x11 have been provided in two formats:

1) Full Size

If you would like to have a full size print out, take the full size pages to your local print shop and they can print it for you. All full size Doodle Pages are 11x17

2) Tiled

The tiled pages give you the option of printing the full sized Doodle Pages at home. You print the tiled pages and then assemble them to make the larger patterns.

The Doodle Page PDF files are typically laid out like this:

Front – full sized, front – tiled, back – full sized, back – tiled

(Some Doodle Pages do not have backs)

Please note: When printing on a home printer, the edges may get cut off. To avoid this, make sure "Page Scaling" is set to "Shrink to Printable Area" in the Adobe Reader print dialogue box. This will decrease the size of the Doodle Page a very small amount.

You may take this PDF file to your local print shop to have the full-size pages printed for your own personal use.

THE FOREST by Al Stohlman

Here, the striking effects of Craftool of the Month No. 910 are shown. With proper use, the texture created by No. 910 is perfectly adapted to the pine and fir trees. Complete mastery of the tool, as shown by Al Stohlman, will require much practice, but with this practice, it can be mastered by all and easier, perhaps, than anticipated. Study this month's Doodle Page very closely. Note how the impressions of No. 910 are spaced very close together and in an irregular pattern to create the realism of the trees.

Craftool No. 910 is also used to make shrubs and bushes. It is used to accent the wing feathers of birds at upper left. Note its many uses on the floral design at the right. Get Craftool No. 910 right away and start having fun!

Figure Carvers! How to carve birds and trees is clearly illustrated step-by-step in Al Stohlman's books: "Figure Carving" and "How To Carve Leather."
