

## Doodle Page Digital Download

This PDF file contains 1 (one) Doodle Page. The PDF has been put together to give you options when it comes to printing. Pages and patterns that are larger than 8½x11 have been provided in two formats:

### 1) Full Size

If you would like to have a full size print out, take the full size pages to your local print shop and they can print it for you. All full size Doodle Pages are 11x17

### 2) Tiled

The tiled pages give you the option of printing the full sized Doodle Pages at home. You print the tiled pages and then assemble them to make the larger patterns.

The Doodle Page PDF files are typically laid out like this:

Front – full sized, front – tiled, back – full sized, back – tiled

(Some Doodle Pages do not have backs)

Please note: When printing on a home printer, the edges may get cut off. To avoid this, make sure “Page Scaling” is set to “Shrink to Printable Area” in the Adobe Reader print dialogue box. This will decrease the size of the Doodle Page a very small amount.

You may take this PDF file to your local print shop to have the full-size pages printed for your own personal use.

Due to the many requests for figure work Al Shelton starts us out on the third year of the Doodle Pages of the Month with "The Sheriff of Gopher Gulch" and his trusty steed "Top Cutter" both doing their best to deliver the goods.

Al Shelton, author of "Operation Leather Carving" started his leather work years ago in Denver, Colorado. In those days it was the custom to use "hot tools" to add color to the leather. This method required two identical tools—while one tool was being heated in an alcohol flame, the other was used. (This method is still in use in certain shops.)

Al, although still young in years, has worked in the West's finest saddle shops. He is an experienced teacher, a good layout man and has developed a style of carving all his own. His method of drawing designs as shown in "Operation" is alone worth the price of the portfolio.

Study his deep, clean work. Learn to make your own designs, it's fun!
